Zvelebil, Kamil V.: *Tamulica et Dravidica: A Selection of Papers on Tamil and Dravidian Linguistics*. Orientalia Pragensia XIII, Philologica 3, 1995. Edited by Jaroslav Vacek and Jan Dvořák, 295 pp. Prague: Karolinum – Charles University Press, 1998.

ISSN 0567-8269

Prof. K. V. Zvelebil's linguistic papers from the earlier years which appeared scattered throughout the world in the 50s and 60s, some of which are difficult to obtain because they were published in rare journals (Tamil Culture etc.). Besides showing the then "state of the art", the papers are also relevant for the study of various aspects of the system of Tamil grammar, aspects of the colloquial language and of Dravidian in general. Multiple indexes (pp. 279–295). Complete bibliography of the author between 1951 and 1994 (509 items). Brief biographical sketch of the author (pp. 7–10). To be used by librarians, specialists in Indian, and especially Dravidian studies.
